

Pharmaceutical Water & Steam Systems: Current International Industry Practices, Technological Trends and Regulatory News

6th and 7th of June 2016 - Masco Headquarter - Settala, Milan (Italy)

Purpose of the Training:

The Training is addressed to the Professionals and Managers of the Pharmaceutical Industries involved in the Pharmaceutical Water and Steam Systems Applications as Quality Systems(Q.A. and QC), Regulatory & Validation, Pharmaceutical Engineering & Maintenance and Manufacturing (API & Dosage Forms).

The Seminar will explore the topics “PHARMACEUTICAL WATER” & “PHARMACEUTICAL STEAM” giving a complete overview from the European Union (EDQM/EMA), from the USA (FDA/USP) as well as from the international cGMP (e.g. Anvisa, WHO, PIC/S, ecc) and sharing Stilmas-DOC international experience on Plants Inspection with all participants. The Seminar material is updated as per current early 2016 Regulatory Requirements, especially due to the New Revised EP monograph for Water for Injection planned to be released on October 2016.

Training Content:

The Training will explore and address in detail the following aspects:

- **REGULATORY REQUIREMENTS**
 - USA Regulation (i.e. USP & FDA Guidelines);
 - E.U. Regulation (i.e. EP & EMA Guidelines), including revised WFI monograph.
 - Other International Regulatory References (e.g. BRASIL,WHO, PIC/S, ecc);
- **CURRENT DESIGN CRITERIA as per Good Engineering Practices (G.E.Ps) and Technological Trends;**
- **VALIDATION LIFE-CYCLE (Initial Validation)**
 - Design Qualification
 - Installation Qualification
 - Instruments Calibration
 - Operational Qualification
 - Performance Qualification
- **SYSTEMS MAINTENANCE, MONITORING & CONTROL**
 - Routine Monitoring Program;
 - Change Control & Revalidation, Recalibration and Maintenance Plan;
 - Inspectional Aspects (“Points to consider” approach)

6th of June 2016 (Day 1)

8,30 – 9,00 Event Registration

9,00 – 9,15 Introduction to the Event (DOC & Stilmas)

9,15 – 10,45 Regulatory Requirements as per International GMPs (including WFI revised monograph as per EP) , by Mr. Paolo Curtò (DOC)

10,45 – 11,15 **Coffee Break**

11,15 – 12,30 Good Engineering Practices (GEPs) as per International Design Standards, by Mr. Paolo Curtò (DOC)

12,30 – 14,00 **Lunch Break**

14,00 – 15,30 PW, WFI and Pure Steam: Process Technology Aspects – PART 1 , by Mr. Demetrio Barbitta (Stilmas)

15,30 – 16,00 **Coffee Break**

16,00 – 17,00 PW, WFI and Pure Steam: Process Technology Aspects – PART 2 , by Mr. Demetrio Barbitta (Stilmas)

17,00 – 17,30 Questions/Answers Session

19.30

Event Gala Dinner

7th of June 2016 (Day 2)

9,00 – 10,30 Validation Life-Cycle for a Pharmaceutical Water & Steam Systems as per latest EU GMP Annex 15 , by Mr. Paolo Curtò

10,30 – 11,00 **Coffee Break**

11,00 – 11,45 Validation Maintenance Aspects (Routine Operation, Revalidation , Recalibration and Change Control) , by Mr. Paolo Curtò (DOC)

11,45 – 12,30 Pharmaceutical Steam-Regulatory, Design, Validation & Operational Aspects, by Mr. Paolo Curtò (DOC)

12,30 – 14,00 **Lunch Break**

14,00 – 14,45 PW, WFI and Pure Steam: Correct Maintenance Aspects – PART 1 , by Mr. Demetrio Barbitta (Stilmas)

14,45 – 15,30 PW, WFI and Pure Steam: Correct Maintenance Aspects – PART 1 , by Mr. Demetrio Barbitta (Stilmas)

15,30 – 16,30 Stilmas Facility Tour including cross reference to Training case studies;

16,30 – 16,45 **Coffee Break**

16,45 – 17,30 Questions/Answers Session

17.30 TRAINING CLOSURE

Speakers:

DOC, Paolo Curtò, graduated in 1984 in Chemical Engineering at Padua University (Italy). He has worked in DOC since 1997 as Managing Director. In the past he worked for well known companies like Fidia S.p.a. , Foster & Wheeler Group, Enichem S.p.a., in different areas like process engineering, project management, Validation & GMP Compliance. He is active member of many recognized organization like Parenteral Drug Association (PDA Italy Chapter), ISPE and International Federation Pharmaceutical (FIP) and qualified trainer for many Regulatory Agencies throughout the world (Brazil, China, Italy, Greece, Romania).

STILMAS, Demetrio Barbita,

graduated in 1997 in Hydraulic Engineering at Milan Politechnic (Italy). He has worked in Stilmas since 2001 at first as Senior Commissioning Engineer and since 2009 as Service & Spare parts Manager, being part of the Stilmas Steering Committee.

He works actively throughout the world as Qualified Trainer of Pharmaceutical Water & Steam Systems for Pharmaceutical Companies, Engineering Contractors and Training Organization.

The Venue:

Doc s.r.l.
 Viale delle Industrie 14
 20090 Settala Milano
 Tel. 02 95 080 6230
 Fax: 02 95 080 6212
 Mail: doc@docvalidation.it

Lectures will take place @ Masco Training Center (max 35 seats available).

At the end of Day One, participants are kindly invited to the Event Gala Dinner that will take place at the Hotel Ibis Style in Settala.

Participation Fee:

Participation Fee
 950,00 € (Two Days)
 500,00 € (Single Day)

Participation Fee for any additional person of the same company
 850,00 € (Two Days)
 450,00 € (Single Day)

The subscription fee includes lunches, daily coffee breaks and the Gala Dinner (end Day 1).
 Lodging and board expenditure are not included.
 For subscription please fill in the form below and return it to the following mail address: doc@docvalidation.it. An e-mail, to the address communicated, will be sent to confirm the success of the subscription.
 The payment of the subscription fee will have to be done by the date of the Event.
Important: No charge will be asked for subscription cancellation communicated within 15 days from the Event; from 15 to 5 days before the Event 50% of the total fee will be charged, subscription cancellation that received after this period won't be subjected to any refund.
