SteriTech invites you to an expert view of the **New WFI Monograph**

Citywest Hotel,
Dublin May 25th

How will this affect us all? Is the new WFI Monograph a game changer - an opportunity, or further risk? Hear an expert supplier's point of view...

Our main speaker:

Mr. Paolo Curtò,

graduated in 1984 with Master of Science & PhD in Chemical Engineering at Padua University (Italy). He has worked at DOC since 1997 as Managing Director. In the past he worked in well-known companies like Fidia S.p.a., Foster & Wheeler Group, Enichem S.p.a. He is a steering committee member of Parenteral Drug Association (PDA Italy Chapter), an active member of ISPE and International Federation Pharmaceutical (FIP) and qualified trainer for many Regulatory Agencies throughout the world (Brazil, India, China, Italy, Greece etc.)
